SUMMARY

A second-year Computing (Software Engineering) student at the National Institute of Business Management (NIBM) with an interest towards software development. An aspiring developer with strong foundational knowledge when it comes to developing responsive web-based applications through understanding of various technologies and programming concepts, with hands-on experience in design webpages and implementing back-end logic. Looking forward to contributing as a software developer in real-world projects.

EDUCATION & CERTIFICATIONS

National Institute of Business Management (2023 - Present)

Bachelor of Science, Computing (Software Engineering) - Ongoing

- Diploma in Computer System Design (DCSD)
 - GPA: 3.9

Certifications

- OCI 2025 AI Foundations Associate (Oracle)

Online Courses Completed

- Cisco: Networking Basics, Introduction to Modern AI, Computer Hardware Basics.
- AWS Educate: Introduction to Cloud 101.

Atamie International School (2008 - 2023)

Advanced Level (Edexcel Syllabus) 2020 - 2023

- Mathematics - C

Ordinary Level (Edexcel Syllabus) 2018 - 2020

- Mathematics - 8
- English Language - 7
- Information and Communication Technology - 7
- Physics - 7
- Biology - 6
- Human Biology - 4
- Chemistry - 4

PROJECTS

Food Ordering Application (EAD-2 project)

With the help of my team, I developed a food ordering application that used the following technologies: REST, REACT, Axios, and MySQL, in order to provide functionalities such as profile management, dynamic restaurant and menu items, order placing, email notifications on placement of order and discount codes that can be applied.

HARD-SKILLS (TECHNICAL SKILLS)

Proficiency in Programming Languages

Java, C#, C and PL/SQL

Database Management

MySQL, Oracle Database, MongoDB

Full-Stack Development

HTML, JavaScript and PHP

Frameworks & Design Patterns

Spring Boot (Microservices), MVC

SOFT-SKILLS

Time Management

Communication

Teamwork

Problem Solving

Effective Presentation Skills

EXTRACURRICULAR ACTIVITIES

Member

NIBM Gavel Club (2023 - Present)
